# Our products

Invisible Grills

Aluminium doors and  
windows

uPVC doors and  
windows

# What are Invisible Grills ?

Invisible Grills are an advanced grilling system installed in balconies, windows, staircases, open area near swimming pool and in High-rise apartments.

The Core of Invisible Grills are made from high tensile, anti-rust, 304 grade stainless steel/ 316 marine grade stainless steel cables covered with nylon membranes.

Invisible Grills are compliant with fire safety & evacuation norms offering an impact load resistance up to 500 Kgs.

Invisible Grills are safe and secure for children, adults & pets without obstructing the view.

# Why Invisible Grills ?

Safe and Secure.

Anti Rust.

Anti Bird.

Unblocked View.

Zero Maintenance.

Easy evacuation in emergency.

Alarm/Security system (loud noise resonates if any wire is cut)
